Greetings for the forthcoming festive season.

We, at The Co-operative Ground Durga Puja Samity invite you to share in the celebrations of our 51st year-Durga Puja from 15th October 2026 to 21st October 2026. With our innovative themes which have won awards every year since 2005 and an average daily foot fall of around 1,00,000 devotees from all of NCR, extensive coverage in both Print and Electronic media, we provide an unique platform to showcase your products and services to a huge number of captive audiences. There are a number of different options to create the visibility for your organisation and we have listed them out in this brochure. However, we are open to any new idea that you may have. We would be very keen to discuss the same with you. Do feel free to reach out to our team and we would love to work out a customised package to suit your needs. We look forward to your kind support in celebrating and making this year's Durga Puja a grand success.
